One plate per square, laid on top of the finished terrain. The **number** is what counts; the printed colour is only a guide.

Printer ink will not match the plastic. If a square's colour looks wrong, trust the number and the bin label. A dark square is sky and stays empty.

f 16	1	1	1	1	1	1	1	1	1	1	1	1	1	1		

One plate per square, laid on top of the finished terrain. The **number** is what counts; the printed colour is only a guide.

Printer ink will not match the plastic. If a square's colour looks wrong, trust the number and the bin label. A dark square is sky and stays empty.
